# Manuka Yasas

Assistant Secretary at Software Engineering Student Community - SLIIT  
Colombo

## Summary

I'm an B.Sc. (Hons) software engineering undergraduate student at Sri Lanka Institute of Information Technology (SLIIT) who is passionate and skilled in developing web and mobile applications. I am currently looking for an entry level position to improve my skills and explore new technology.

I am mostly skilled at PHP(Laravel), Node, React and mobile app development.

Projects that I have completed: <https://github.com/manuka99>
